

## Maximizing Your Leadership Style

Everything DiSC® Management is a personalized learning experience proven to increase the effectiveness of anyone in a management role. Participants deepen their understanding of themselves, their direct reports, and their own managers using the DiSC® model. They also learn how their management style influences their approach to decision-making, time management, and problem-solving. Participants walk away with concrete strategies to help them adapt to the styles of their direct reports, enabling them to bring out the best in people.
